June 4, 5 & 6, 2010

NORTHWESTERN DIVISION CONVENTION

www.seapac.org

"The Northwest's Largest Ham Convention"

Seaside Convention Center

415 1st Avenue, Seaside, Oregon

SEA-PAC Banquet

This Banquet is limited to 400 reservations.

This year's SeaPac banquet entertainment is a local area band known as "Floating Glass Balls".

Floating Glass Balls (FGB) is a band distilled from years of weekly musical gatherings in Cannon Beach. Their music is broad and pulls from many genres -- bluegrass, Caribbean, contemporary, country, and swing tunes -- the likes of the Stanley Brothers and the Carter Family, to name just a couple. It is reflected in what each member brings to the table. "The Balls" can easily play four to five straight gigs without repeating a song -- a testament to the depth the group has developed throughout those years playing together. FGB has appeared throughout the northwest for over 10 years.

FGB will provide us with a great mix of tunes passed between fellow musicians as well as string band versions of tunes treated to diverse and appealing arrangements. The group lead by Peter Siegel on the mandolin, Bill Uhlig on bass, Dan Conner on dobro, fiddler Gary Keiski and the band's youngest member and practical joker, guitarist Joes Marshall. He sings most of The Balls songs.

FGB has recorded several CD's which include vintage string classics demonstrating their adeptness of mando, dobro, fiddle and guitar picking, featuring Dan Conner's vocals, lending authenticity to Appalachian-rooted tunes, and righteous old-time harmonies contributed by Siegel and Marshall -- a constant you can count on from the band.

Friday Workshop

Friday, June 4, 2010 — 1 pm - 5 pm
Convention Center, Seaside A, B, & C

E-Enabled Applications for Amateur Radio:

**Two powerful tools that make your radio
into a Swiss Army Knife.**

Topics include: How to take advantage of some advanced features of D-Star. Hooking up and utilizing a GPS, linking and unlinking, and data transfers. Repeater, gateway and related subjects. Advanced D-RATS things like Winlink/POP3 access and message routing.

**Dan Smith KK7DS
Stephen A. Hatch WA7DAD**

Dan Smith KK7DS, lives in Hillsboro, Or. Dan is a Software engineer for Linux Technology Center and holds an Amateur Radio Extra Class license.

Stephen Hatch WA7DAD, lives in Federal Way, WA. Steve works for Boeing IT Security and holds a General License.

ARRL Guest & Forum

The Northwestern Division Convention welcomes Ed Hare, W1RFI, who will be our special guest from the League headquarters.

Ed was first licensed in 1963 (ex KA1CV, WA1CYF). After 16 years in the electronics industry, he came to ARRL HQ in 1986. He started as ARRL's "Product Review" test engineer, moved on to becoming ARRL's "RFI guru" (notice his call!) and he now holds the position of Laboratory Manager.
